

Test Plan

Project Name: IT class room

Task	Expected result	Actual result	Error messages	Screen Capture	Action
Storyboard	I had to explain how my website will look like, I had to show different panels of the website.	Covered everything	None	 <pre>graph TD; SB[Storyboard] --> B4u[Bicycles 4u]; B4u --> Home[Home]; B4u --> NB[New bicycles]; B4u --> Repair[Repair]; B4u --> Rent[Rent];</pre>	
Create a website	I had to a website; the website will be based on selling bicycles.	Covered everything	None	 <p>The screenshot shows the homepage of the 'Bicycles 4u' website. It features a navigation bar with links for Home, New Bicycles, Repair, and Rent. Below the navigation bar is a large banner image of a yellow mountain bike parked in front of a mountain range.</p>
